

Stratford Concert Choir
sharing great choral music

OUR
43rd SEASON

In Concert Again!

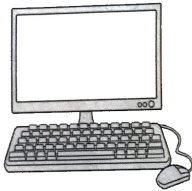

It's been over twelve years since the Stratford Concert Choir and the Stratford Symphony Orchestra performed in concert together. That hiatus will end on May 24 when members of the orchestra will accompany the choir in these classical favourites: the Vivaldi Gloria and two Bach Cantatas – BWV 12 and 147. Please consider a gift in support of this wonderful season finale.

Yes, I wish to celebrate the reunion of the Stratford Concert Choir and the Stratford Symphony Orchestra. I understand that all supporters will be recognized in the House Program.
